

## Vision

Our vision is to develop annually, the Company and its employees as the BEST and most demanded service provider and supplier of Generator's and H.V. Switchgear.

## Mission Statement

Our mission is to be the leader in our field, providing a holistic approach to the design, manufacture, installation, maintenance and servicing of generators and H.V. switchgear equipment. We will do this by working closely with and exceeding our client expectations on service, quality and price by deploying highly skilled and developed professional employees.

## Core Values

We value:

**Brotherhood** - exhibited through team spirit, co-operation and harmonised working relationships.

**Excellence** - using "the power of experience" to exhibit reliable, versatile and accountable behaviours.

**Supremacy** - in client service, cost effective solutions and quality standards.

**Talent** - which is delivered through a highly trained, multi disciplined, professional and experienced team of the highest technical quality.
